“ Aunt Debbie taught us most of what we know about the journey towards healthy family living. We have a long way to go, but no secrets and lots of love and living one day at a time!. And always the best Christmas cards sent EVERY year. It is the small things we will miss the most. Uncle Jimmy and Tommy, our thoughts and prayers are with you. God be with us all as we grieve and remember. Love, Rob, Beckie, Sarah & Jared Toothman##imported-begin##Robert and Rebecca Toothman##imported-end##

“ Donna, Please know my prayers are with you and your family during a time which is so incredibly difficult. I know how precious a relationship with a sister is as I have four of them, and can't imagine losing any of them. I pray God wraps His arms around your family and that you can rest in those arms knowing how much you are loved. Blessings, Shirley##imported-begin##Shirley Grimes##imported-end##

“ Think of you guys every time I ride my bike through Metz. Also look for the '63 Olds down over the hill entering Mannington. Tried to phone you while on vacation in Myrtle last year, but couldn't connect. Still have the Caravan band photo in my album.. Sad when we go so young.. “ Donna, Please extend my sincere sympathies to your family. I always wanted to have a sister, but didn't. So my heart is breaking for your loss and, yet I can't help but recall Tennyson's poem, Hold it true, whate'er befall; I feel it, when I sorrow most; 'Tis better to have loved and lost Than never to have loved at all. I doubt he wrote it for a sister, but nonetheless, listen with your heart and you will know peace. Hold fast to the love and memories that you and Debbie shared - such blessings are yours forever. Please let me know if there is anything you need. Thoughts and prayers to all of you,

“ Uncle Jimmie and Tommy, You are in my thoughts and prayers. I am so sorry for your loss. Aunt Debbie you will be so missed. I have many memories of you but my favorite was when I was little and we were comparing our hair and I had blond blond hair but I had this one spot under that was dark brown and we were looking at your hair and you had the same spot. Grandma also called me Debbie all the time. I got so use to it I would even answer to it. I know Grandma is so happy to have you in her arms. I love you and will miss you always!
