“ *Debbie was one of the sweetest people I have ever known...my husband and I both knew her from youth but saw her a lot when she and my husband Jimmy worked together.....she always had a smile on her face and never said an ugly word about anyone....she will be remembered always.*

“ *To the Family of Debbie ;*

I had the pleasure of Debbie's company at several events HTC supported. She was one of the sweetest people I have ever known and I don't think she ever met a stranger. I know you all are suffering a great loss, but she touched a lot of hearts here before God's plan for her came about.

God bless each of you in your time of grief.

I had the pleasure of meeting Debbie this Relay season and what an amazing woman. I learned she was an avid supporter of the event and dedicated volunteer for the HTC Relay team. My heart is saddened and my prayers go out to the family.

On Aug. 4th, God called another Relay angel home, Dr. Gordy Klatt, the founder of Relay For Life in 1985. God knew Dr. Klatt would need help, even in Heaven, to Finish the Fight and knew the perfect angel to help, Debbie Booth. The American Cancer Society Relay For Life of Loris/Green Sea Floyds will forever remember you Debbie.

“ Thank God for allowing me time to fall in love with Debbie. I enjoyed being her SS teacher for several years. I shall always remember that bright smile and that fun loving spirit she had about her. May God shed His grace on you and give you comfort as you face the days ahead. Thank God Debbie is now at peace and was prepared for this day. Her wish would be that we ALL be ready when that day comes for us. Are you?

Trevor, Drake, and all of the family. My prayers are with you. She was my oldest best friend. I loved her beyond measure, my heart is broken, but it is filled with joy that she is in a better place and not sick anymore. And I know that I can see her again and praise our Lord together.
