“ *My cousin, Debbie, was a beautiful person who loved her family and friends very much. She enjoyed decorating her home, designing jewelry and spending time on the beach with her dogs and loved ones. She was always willing to put herself out there to help others and expected nothing in return. A rarity indeed. My heart goes out to her husband, their sons, her brother and friends. I will love her forever. RIP sweet Deb.*

“ *I am so sorry to hear of Debbie's untimely passing. Debbie made me smile and laugh, a gift of gold in today's world. It was obvious that she loved life and people and had a great sense of humor. I called it a wonderful twinkling dry sense of humor. Please take comfort that Debbie will be sorely missed but will forever live in our hearts. My condolences to you and your family.*

“ Family, I am so sorry to hear of Debbie's passing. She was a force of nature...always with a positive and oftentimes funny spin on any given situation. We worked together for many years at St. Mary's in Huntington.

I am sad beyond words, knowing Debbie is one friend that I will miss for the rest of my life. I am thankful that we became friends in this life, and am looking forward to seeing her again in the next life. I will keep the Godfrey's close in thought and prayer today, as well as those who are traveling to the funeral. Debbie was so kind, creative, intelligent, and beautiful. She earned her wings and watches over us with the same love that she gave when she walked among us. Debboe. You will remain forever in my heart and memory. Sending my love, energy, and healing light to Jon, Joe, Rich, and daughter in laws as you face this day with courage and strength. May God Bless Your Family and comfort you.
