“ My Dear Tracy, You will be missed but never forgotten. Thank you so much for the memories of you I will always have. The times we shared in all the places that the wrestling world took us will forever be a part of my heart. The road would have been duller and less enjoyable without you. It is with great pride and enjoyment Beverly and I shared the wrestling road with you. Thank you for the memories. I am so proud of you but now God needs you in Heaven to shine your special light there just as it shone here. I will never forget you, often think of you and know I'll see you again down the road. With love to You and deepest sympathy to your family. Love Natasha##imported-begin##Natasha##imported-end##
