“ Although I had not seen Debbie in a few years I always considered her to be one of those unforgettable friends. I first met her in March of 1982 at the Cape May County Health Department. She was a fellow worker who soon became a VERY good and genuine friend. She was about as genuine as you could get. I'll always remember her falling into her 25 birthday cake that I made for her, and our numerous escapades at Fred's. Love Ya Kid, Jeanne##imported-begin##Jeanne Axelson##imported-end##
