“ I never met Rocky, but all the pictures I have seen and stories I've heard from Laura, of his smile, helpfulness, knowledge, and versatility, makes me feel like I have known him all my life. I believe he was a great man.
My condolences to Pearl, his children and grandchildren. God bless you all in your sorrow.

Rocky was a unique person who enjoyed and lived his life to the fullest for many, many years, with Pearl right by his side. As we age we change, things change, and we cannot do the things we always enjoyed.
We were siblings for 81 years and I have many memories. Rocky will be missed by so many people...he had many friends and was devoted to Rolling Thunder.
I have comfort in knowing we will be together in paradise one day where we will walk the streets of gold.
