“ To the Martinez, Stever and Padron families, Bob was a great friend and our honorary Cuban. He always there with a joke and a laugh. From Port Chester, NY to Myrtle Beach, SC, Bob has left a lasting impact on our lives by becoming part of our families. We offer his family our deepest condolences.

“ Still at such a loss for words! Robert we go way back to the Brentwood days of swimming pools, roller skates, birthday parties, communions and many celebrations! So many memories to mention. Through all the good times and bad our families have been through it all and remained so much more than friends. I'll always remember your "DRY" sense of humor, you were relentless and had a way of making people laugh! Your loss will be felt greatly by so many people especially your mom and dad and sisters. You were the light of their lives. Their strength amazes me as they have seen such devastating loss in their lifetime and still they have found it within them to go on. I know how much you loved your Cayleigh, she is quite a beautiful young lady and it is more than evident how much she loves you. I know that with the help of Faith and your family you will live forever in her heart and soul! You are leaving a great void in so many lives but your memory will remain forever. Until we all meet again my friend for another big celebration in the heavens, God Bless you and keep you..... XOXO

*P.S..... I know you're older than me.....I'm sure of it!!*

“ Please accept my sincere sympathy on the recent loss of your dear loved one. You are all in my thoughts and prayers. May the God of comfort be with you in this time of sorrow. May these words bring you hope, "And he will wipe out every tear from their eyes and death will be no more, neither will mourning, nor outcry, nor pain be anymore. The former things have passed away." (Revelation 21:4) This promise will be fulfilled one day, until then, may all your memories sustain you in the days to come. [Jw.org](http://Jw.org)

“ *Dipersio family, I am so sorry to hear about Bob's passing. I worked with him at Old World for many years. He was a super fellow. Always joking and always stood his ground no matter what. He will truly be missed. I pray that Cayleigh knows her daddy loved her with all his heart and was very proud of her and will look down upon her throughout her years and know she we be blessed. God Bless, Lori Cannon*
