“ Locke, Cathy and family members: so sorry to hear about Miss Delia. Although I think she had a "pretty good ride" thru life, and at 91, didn't seem to miss much. I just hope all of us can do as well and in the same classy way! Hugs~Toni##imported-begin##Toni Holman##imported-end##

“ Rosamund, Merrell, Jimmy, Robert and Locke, I am so sorry to hear of your loss. Your mama was like a second mother to me for so many years. I wish I had known of her passing in time to attend the services. My thoughts and prayers will be with you all. Your mama was my hero. It was she who inspired me to return to school, get my degree and make a better life for my family and me. Twenty years of living next door to her created many memories that I shall cherish for the rest of my life. Ronnie##imported-begin##Ronnie S. Roach##imported-end##
