Tribute Wall

“ Hello. I am Elizabeth Wallen, I am married to Michael - Gene and Margaret's grandson. I never had the pleasure of meeting Della Mae, but I have heard many stories over the past 20+ years I have been part of this family. The stories I have heard tell that the children of Columbus and Maudie all seem to share a true grit and a lust for adventure. I hope my own children have inherited some of that from their great grandfather and their great-great-aunt. The members of the Gene and Margaret Wallen family send our love and prayers to your family.

Hi Elizabeth. Thank you so much for your condolences and prayers. Mom was just asking if I remembered Michael and I said I think I do but we were very young. She says you would play when Margaret would bring him over. Grandma Della Mae was a sweet woman and will truly be missed. 🙏

“ I thank God everyday for my sister taken care of my mother. We are only passing through this world and going to a better place. I have a lot of memories of my mother. The one I think is special, when she told me I love you son. To all my children, I wish they had phones in heaven so I can make one more call to tell her I love you Mom. May God always love you as I always will. Your son Chuck.

“ My sincere condolences to Sherry, Chuck, Tonya and your family members. Della Mae was a great cook and I will always remember how she taught me to make kidney bean salad. I wish you peace and comfort in the days that follow.
