“ It was extremely shocking to hear the news about Dee. Our condolences and deepest sympathy to Dick and PJ. We go back a long ways to our time in the Air Force at Myrtle Beach Air Force Base and the many good times we had through the years. The bowling trips we made throughout the state for many bowling tournaments will always be remembered and cherished. My ex-wife and Dick deployed to Korea on a 30 day TDY while Dee and I held down the home front and continued to participate in bowling tournaments during their absence. She was a true friend, companion, a great lady with a great smile and extremely pleasant personality, she will truly be missed.

“ *I will miss my beautiful cousin and will cherish our memories. Our family spent several years vacationing in Myrtle Beach and enjoyed reconnecting. We weathered a passing hurricane together. So much fun! Our trip together for our family reunion to Elbridge, NY was a great time with special memories. I have enjoyed spending time with Dick, Dee, and Paul. They were all so loving and helpful when my husband passed. Love, Rona*
