“ Annie and family-Candi loved her family and her church so very deeply. I really came to know Candi through church and found her to be one of the kindest and most generous with her love for everyone. She was the matriarch of your family and that will resonate within you all for generations to come. Watching her with the grandchildren and great grandchildren over the years was very telling of the importance of family in her life. Praying you find comfort and peace in the days to come with the great memories of this sweet lady.

“ Annie and Chris I was so sorry to hear about your mom. She was such a caring and sweet person. I first meant Candi back in 1968 when she would come to visit her sister Lorelee. We had some great times together. Then she met your dad Choc and it was such a match for both of them. I know she will greatly be missed by not only her family but many friends she has. Annie your such a strong young lady and you will continue to help your family. Chris I haven't seen you in years but I did see you allot at a younger age. Just know I am thinking and praying for both of you stay strong your mother knows you can.
