“ I went to high school with Denise and Mike and we were all friends. After that I did not see them until I found out they moved to Myrtle Beach and I also live in SC. I was going down with my son for a culinary competition and she reached out and we met up, walked on the beach went to see Mike and it was such a a wonderful day at a time for me that I truly needed that. RIP my friend ❤️

“ Since the first time I met Denise, she would treat me as Hugh we'd been friends for years. I was pretty new to the event world. But she always helped me. Then, she trusted me to help her. I love her very much and can't quite wrap my mind around this. Denise, you were one of a kind. Fierce, strong, kind, loving. The world seems a little emptier without you in it.

“ I met Denise years ago doing events to raise money for my Foundation. She was always helpful trying to make my events successful knowing how hard it is to raise money for something you are passionate about. She trusted me multiple times to help her with her events. She was a truly kind and giving person.
