As much as it saddens us. Bobo is having the time of his life talking and singing with other saints that have went ahead of him. He has been a legend here on earth. Loving and living for his Lord and Savior now he is getting to enjoy his rewards. So thankful he has left so many precious memories for his family and everyone to enjoy and help them in the days ahead. He will always will be with you pushing you to do your best Kay, Kitty and Kayla those precious grand children and and son in loves worthy of his precious daughters. We all have more to go to heaven for than we did yesterday. Praying and sending hugs to all of you!

Kay, and daughters. I am so sorry for your loss. I know he will be greatly missed. I know this is sudden and overwhelming, but at least you have the assurance that he has gone on to a better place. Where there will be no more pain or suffering. Hold on tight to that assurance to get you through this time of grief and sorrow. Praying for you and your family. Just wanted to let you know we were thinking of you. God bless you and your family.
