“ Dear Rita,

So glad you were able to be together when Den passed. My heart aches for you but then turns to a smile when I think of Dennis the bright funny man. He brought such pleasure to so many. You two were lucky to find each other to make enough memories to last another lifetime. He will always be with you...

Condolences to the rest of the family.

*With love,

“ Rita,

We're so sorry to read that Dennis had passed and I hope you know how much he was a part of my life when I chose to run for the Town Council. Dennis was a great mentor and confidant during my time in office. Jackie and I are thinking about you and your family and hope you know he left this world with many of his friends feeling this loss.

“ Even though I was a teenager when he married my aunt, I called him 'Uncle Dennis.' He was an instant uncle, loved him from the start...and who wouldn't? Funny, sweet, kind, intelligent, a genuine gentleman. I will always be grateful that I knew him. His time on earth was too short, but he made a big difference in my life. Love you, Uncle Dennis!
