“ Lisa, Please know that both you and Dennis have been in my thoughts and prayers for a long time. Dennis was very fortunate to have a loving wife to help him through such a trying time. Now you must put the same effort and strength into taking care of yourself. While I really did not know Dennis personally I do know that he must have been very a special man.##imported-begin##Bill Kilbourne##imported-end##

“ *Dennis was a very good friend who I will miss terribly. He was always teasing me even when he was so sick. He always had a smile in his voice as well as on his face and I don't think ever met a stranger. He will be missed especially by his loving wife Lisa, who stood by him, took care of him and loved him so much.##imported-begin##Vangie Boulware##imported-end##*
