“ I am fortunate to have met Mike and call him a friend . He was always smiling and telling a funny story. We rode many a mile together among friends and even went coast to coast together . He will be deeply missed and my heart goes out to Kim and the rest of the family. It is important to remember the good times, laughs and memories that were made . He will forever be remembered as Oklahoma Mike to me. God speed . May the roads be smooth and the skies clear . Ride on my friend .
