“ My sincere condolences to Dessie’s family. I met her many, many, years ago when my son, Phil Cooper, and her boys played ball at Waccamaw Elementary School on Highway 90, Conway, SC. Dessie had a special voice. Even if you didn’t see her at first, if you heard her speak, you knew it was her. Dessie was a great mother to her children, and will be remembered by all for her dedication to her work in health care. May she rest in peace.

“ Sending sincere condolences to the family of Mrs. Dessie. I got to know her when I worked on the Medical/Palliative Care unit and she was the evening nursing supervisor. She always had a smile and was frequently talked about her loving family. Praying that our Heavenly Father will comfort you during this time and in the days ahead. May you treasure all the many wonderful memories spent together in this life until we are all together where we'll never have to say "Goodbye" again.

“ *I have worked with MS.Dessie for some years , I began calling her momma Dessie. She treated us all the same. She would call me her daughter we would all laugh, she would say, "she the daughter I never had." We all just laugh. I would ask about momma Dessie everytime I would see her son. I love her and she will surely be missed. Dr Sutton remember this, THIS EARTH HOLD NO SORRY THAT HEAVEN CANNOT HEAL.*

“ We will miss Ms Dessie and her infectious smile and laughter. She always made us smile when she came in Darin office to see him. She was so very proud of her sons , grandchildren and she didn't mind telling you so. She was so loved by everyone in the Darin's old office. We will miss you but we know you are with your Heavenly Father, Our Lord Jesus Christ looking down on us and saying, "I made it. Until we meet again".... My heart goes out for you Darin. I know how much you loved your mom and she loved you with her whole heart. May God give your family peace and may God wrap you in his arms during this most difficult time.
