“ Dressy was my best friend...I love her so much and forever she is in my heart. I think about her everyday. I miss so many things we used to do. One of my favorite days was just staying over and enjoying spending time with her and her mom

“ Klyynn Michelle and family, I wish there was more I could do to ease your pain during these days. Words seem so inadequate, but know that you are being prayed for. I hold you in highest esteem and also Destiny. Destiny and I shared some great lunch time conversations with our courtyard lunch group this past spring at the high school. I will always cherish those times. If there is anything my family and I can do, please let us know. Love in Christ, Coach Altman.

“ Your mother and I have been friends since we were teenagers. I remember when you were little such a beautiful baby and you have now grown into a beautiful young woman. Your mom sent me pictures of you often and I was always amazed at how much you looked like your mom. Such a young beautiful amazing soul that has been placed in Heaven now to soar free. You are deeply missed and will be loved forever. Rest in paradise sweetheart.
