“ Loved you gal. We had lots of fun together. You were a bright lite in the neighborhood.

You were loved and respected by those you worked with. Your dedication to your profession and your job at Grand Strand was beyond belief. All those times at the movies on Sunday getting popcorn dripping with butter all over our laps. Fun times We will miss you but I know there are those who have been waiting for you. Have a blast with Terry.

“ I have known Diana and Terry since 1966. That is after Mark was born and our daughter, Shawn Mumma was ready to arrive. Get togethers we're always fun with the two of them. We lost touch until the boys and my son, Mike Mumma played ball at Valley Little League. Both Terry and Diana contributed so much to that organization. I was able to speak with Diana just a few days ago and she was as cheerful as ever.

I know that your loss is beyond words. It.is to the people who were blest to know them both. May you be comforted by the memories you have.

“ *Diana’s Passing*

*She’s with Terry now  
Dancing up a storm  
Holding hands like they always did.*

*She’s with Terry now  
Dancing to a new song  
A heavenly melody  
Assuring the vowels they took  
A long time ago.*

*She’s with Terry now  
Forever taking those twirls  
A rhythmic union forever.*

*Diana and Terry  
Crossing through Amen Corner  
Feeling renewed in their eternal love  
Watching over their family  
Holding on to an Irish rose.*
