“ Hello,
This is Nicole Lavelle and I am so so sorry to hear of Diane’s passing. I used to talk to Diane all of the time at Snyder’s Dairy in Pittsburgh. I would go up every week to buy my kids’ milk for school. She was always so nice to me and always made me laugh. She used to call me the “kindergartener mom.” I really missed her when she moved but she always sent me a xmas card and bday card. I would’ve come to the memorial service but didn’t get the card you sent until after the date had passed. Thank you for informing me of her passing and again, I’m so very sorry for your loss.

Nicole
