Dear Bill , Ken and Lisa

Sadly we have just learned of your mom's passing. We met in high school and remained friends for many years afterwards. Diane was a very special member of our "girls group known as "club".her spirited personality and sense of fun were always present. Rich mentions that she was one of his first high school friends as they rode the bus together into Camden.We each have our special memories of Diane that we cherish always. Let her love for you guide you through the days, giving you strength and comfort in her beautiful memories.
