“ I met Diane in our art class and we really connected. She was a wonderful person and an awesome artist. We were going to get together and I was going to teach her painting on glass and she was going to show me how to do pottery. I will miss her smiling face and will think of her at every craft fair and art function. I am so sorry for your loss❤️

“ Aunt Diane was the coolest aunt ever! My earliest memories of her are of her long straight hair and hippie pants. She had a black VW beetle and took us for rides when we visited me mere and pe pere in Hartford. I'm going to remember her as a fun loving aunt, a fantastic, proud mom and grandmother, and best friend to my mom. I hope someday the sadness you are feeling now will be replaced with all the wonderful memories you have of her. I'm with you in spirit.
