“ *Henry and family, I am really sorry about Diane. Though I rarely saw her these last years, I thought of her often and remember the times we enjoyed going places and doing things. I expect in time that we will enjoy being friends even more than we have and neither time nor distance will factor into the joy of shared friendship when that time comes. May you all be blessed to share the wonderful memories you have of Diane and know she waits to make an eternity of memories with her family. With love for you all.* ”

“ Where do you begin when you loose a friend like Dianne. We all have so many great memories with her, memories I'll cherish forever!!! And, even some hard times we went through together. Dianne holds a special place in our heart as do you also Henry. I'm praying God will hold ya'll in his loving arms through this time and in the future. We played together, worked together, cried together and loved each other. See you someday again my special friend in God's time. RIP.

To all the family, I hope you know we love ya'll like our very own family. We are just a phone call away....
