“ My first thought of Dickie will always be his laughter. Such a nice guy and fun to talk to about anything and everything. Most every conversation ended in a big laugh!

Though the last 20 years hold a lot of fond memories, I feel most fortunate to have gotten a chance to spend a few hours with him, Shyla, and Lisa at Lake Murray this summer, with him driving my kids around on the golf cart and us catching up a bit. I am so glad he and Lisa found each other so that he was part of our lives.

I know he loved and adored his family with all his heart. I will miss his kind soul. Our thoughts are with everyone in Conway. We loved him, he will be missed. Rest in Peace Dickie.

“ I have known Lisa and Dickie for their whole married life! We have not always been as close because of us all working different hours! I also retired in March 2023 so i have had time to become closer! They are closer to me than my own family ever will be! It breaks my heart that this has happened but we all know when your time is here there is not a thing you can do but go to be with the Lord and watch over your family! Lisa you know i am across the street and all you need to do is call! Love you!

I New Dickie from work and meet Lisa back around 1995. She would come to Nascar racing with my present mother-in-law. Dickie always had a smile and something positive to say about any situation. He made lemonade out of lemons. My brother you will be missed by many, but it's time for you to retire with the Lord . And Lisa if I can help you anyway you have my number.

“ *To know Dickie was to love him! That contagious smile always lit up the room whenever he showed up, he always had a way of making everyone smile with him and I know he is smiling down on all of us now as he certainly was one of God's people! We will truly miss him!* 💔

Dickie and Lisa were one of the first couples we met when we started going to Carolina Forest Community Church after moving to Myrtle Beach 12 years ago. They introduced us to their Life Group members and allowed us to join their group. We hung out with them and met several of their social friends too. They showed us around Myrtle Beach, took us to Christian Concerts, Christmas Pageants, and restaurants. Dickie always was more concerned with how we were whenever we saw him and had a conversation. He always had a smile on his face and he never Ever complained of feeling ill even when he had back pain or going through his heart blockages. He loved the Lord and Lisa. He will be forever missed. Rest in peace dear friend! Jackie & Dave Magee
