“ Dear Stalvey family: My sincere condolences to all of you. I met Mrs. Stalvey this past Monday, briefly, as I watched her sign her name. This special lady I must say, was at peace with God. She was most congenial and tenderly remarked "it's a nice day". Not a hint of her severe condition appeared. I witnessed a 'glow of contentment, love and peace' on her face and kindness in her eyes as she looked at me and smiled. Just those few moments spent with Mrs. Stalvey, those few words she spoke, have made a special & lasting impression on me. I'm so glad I had the opportunity to meet this special lady. I will never forget her sweet face. God bless all of you. Tessa Edmondson, Conway Medical Center##imported-begin##Tessa Edmondson##imported-end##
