“ Dear Miss Maybelle & family: I am so sorry to hear about Miss Docia. I have such fond memories of her when she used to do private duty for us at the hospital. She was always eager to work and available whenever I called her. So dependable and good to work with. These are the moments I can reflect back to, "the good-ole days". Please know that you are in my thoughts and prayers at this time. My love goes out to you. T. Edmondson Conway Medical Center###imported-begin##Tessa Edmondson###imported-end##
