“ *Somehow this escaped me. I am so sorry Peg and family. I was Dodie's swim coach back in the Day. We lost a fierce competitor. I'm not sure i ever saw her lose a race. I loved the fact that she was an animal lover that was her other side. RIP I'm sure you are sitting on the rainbow bridge with my Dad, try to ignore my mom's ramblings about Nassau Swim Club.*

“ *Dodie was the first person I met in reservations some 15 years ago, greeting me with a smiling face!!! She always had a smile for you no matter how bad she felt. You had a hard life but you are at peace now and no longer suffering. You will be greatly missed by all your friends at Dunes. You must be special for the the Lord to want you home so soon. We love you.*
