“ My deepest condolences to the entire family. I don't ever remember Mrs. Graf without a smile on her face. I'm grateful for her Godly example in how she led her life and I'm certain she was welcomed into the arms of Christ as He said, "well done good and faithful servant" Prayers to you all. Until we meet again, may she rejoice in the presence of Jesus Christ.

“ Oh how I wish I could be there tonight and tomorrow, to offer my condolences to the Graf Family. Oh how I loved D--, at a time in my life when I felt very unloveable, this precious angel of a woman, loved me. I will forever hold her close to my heart. That smile that lit up a room, the sparkle in her eyes and the way she made everyone feel special. She was my first role model of what a wife and mother should be, and I learned so much from her example. Thank you Fred, Steve, Bruce and Barry for sharing her with me, she loved the four of you more than life itself. Holding you all close to my heart.

*with much love,

“ My heart is shattered. Rest In Peace dear D. 25 years ago at a bible study at your house you told a story of yourself. It was a time when you were exasperated and dumped a pitcher of orange juice on your children's heads. Laughter is always the best medicine you said. Trust in Jesus and never take yourself too seriously. Really D Graf did that? I would t have believed if she hadn't told it herself.
