“ Dearest Dolores I can't believe that tomorrow will be two years since you left to be with our Lord.  
Just know that I think of you often and you are greatly missed. Our precious little Grandson, Chasey is still having a difficult time with you being gone. Just know that you will always have a giant place in his heart because you are his very special Mimi. Your memory continues to bring Chase to tears, he feels like he never got to say goodbye. It breaks my heart to see him so upset but it just shows what a lasting effect you have on him, he loves you to the moon and back.  
Rest in peace, my dear friend.  
Love and prayers  
Susan 🙏🏻🙏🏻💜
