“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ Bob,
So sorry to hear that your mom has passed...I have very fond memories of your mom and how she would always make sure that I felt welcome when I came over to your house...she always had a smile and some great advise to keep us on the straight and narrow...Please give my condolences to your entire family...Bill Horrmann

“ I will forever be touched by Miss Dolly and the great conversations we had during cleaning days! I am so thankful and so very blessed to have had her as a friend, if only for a short time. She was so proud of her family and shared so many great stories with me! And my little Emma fell in love with Miss Dolly! She loved her as much as her own grandma! Thank you for sharing her with us! She will be missed!

“ Dolly, I will miss you! I have nothing but fun and loving memories of you. You always made me smile and laugh. I will never forget that you had me convinced you were a female wrestler when we started working together at Sam's. You silly little woman, I love you!!!

“ No one could ask for a better mother in-law. Dolly was like a second mother to me. She was my "energizer bunny". I will miss her dearly.

“ Dolly was a wonderful friend, when I played golf with her sons, she claimed to be my manager, and orchestrated our golf bets! Dolly always enjoyed her life, her family and friends. She will be missed.
