*Dolly(As she was called by most) Is my Mother. She was as Beautiful on the inside as much as the outside. She was a very strong woman who went through so many trials and turbulations. She was able to handle all of it and take care of 5 children to boot. My Mom was a very loving and forgiving person. Her children were her pride and joy. Her Grandchildren and Great Grandchildren and even a Great-Great Grandchild were always the conversation at her table. She lived a very humble life and saw her family grow more and more. Much more than most. As the song says" I did it my way" She certainly did.  
I Love you my Sweet Mother... I'm glad you are at Peace with the many family members we've had.
