

Dominick Filiano Jr.

March 21, 1961 - November 22, 2024

Dominick Filiano Jr. passed away at home Friday, November, 22, 2024. He died suddenly and did not suffer.

Dominick will best be remembered with a coffee in his hand, an inappropriate joke, followed by a witty response, to both family, friends, and strangers. You just never knew what you were going to hear from Dominick.

While he loved a good laugh, he loved his family more. He was there in good times and bad and never let anger stop him from doing what was right. When he wasn't being the adult in charge, you would find him enjoying a good Italian meal, relaxing in his recliner (with full control of the remote), riding his Harley with his motorcycle club, Old Coots on Scoots Chapter 32, fishing with his fishing club, The Mid-Week Bass Club, or just simply listening to all kinds of music and playing his guitar.

According to Dom, there was always a time for one last cast!

“See ya on the other side!”
