“ I was so saddened to hear about Don, but the first impression that entered my mind was Don's smiling face. Such a kind, easy going and generous spirit. Don and Pat were great friends to my parents (Ruth and Herb) and I know how fortunate they all felt to have found each other. My father had very few close friends, but "Leroy" was number one. I still remember Herb's comment that of all they people they could have ended up with as neighbors they got the Eargles...."we won the neighbor lottery" he said. How true.

Cindy and Tricia...your father was such a special man and meant a lot to my family. I can never remember seeing him without a smile on his face and he always lit up the room with his personality. He was truly a unique person in the best of ways. My thoughts are with you both, as well as your families, Patsy and his many many friends.

Cindy and Tricia, your father was one of a kind, always upbeat and a good friend. I got to know Don at The Citadel and he was on of my favorite friends! He always had a joke to liven up the gathering! He will be missed very much! God's ways are sometimes mysterious. We do not understand this pain and loss but we trust and have faith that God's way is perfect. With the deepest sympathy! Hugh & Barbara Buchanan
