“ To family members of "Daddy Don"... I was so sorry to hear of his passing. He was such an important part of my learning and teaching experience at Massanutten and we have been missing him since he left. I think he still holds the record for most lessons taught in a day and we speak fondly of him often. The story of his beating all the college boys in a race is still a popular topic also. He was such a kind gentleman who was always willing to help another and mentored many of us through the years. Please know that our thoughts and prayers are with you during this time. Fondly,

“ It was my pleasure to know Don for many years thru tennis and as a dear friend off the tennis courts. He was one of those people you were close to the first time you met him. He modeled everthing our tennis club stood for so we named a sportsmanship award after him that is still given out every year at our tournament. Peace my friend, till we meet on those golden courts!###imported-begin##Steve Nesselrodt###imported-end##
