“ To my dear brother, I'll love you forever. Extraordinary Man I know of an extraordinary compassionate man Who lives and believes in doing all that he can. For I know others who have met him will concur I am honored to know this man as my brother. He is strong yet gentle with an impressible drive In him I find virtues for which I strive. He has fought battles and at times had to make a sacrifice Of which I know he would never think twice. He carries a spirit within him that cannot be ignored This spirit from heaven God's precious reward. He maintains with wondrous art Perpetual love and kindness in his heart. Like the oysters that beautify and protect the pearls He enriches and preserves the lives of his wife, son and girls. And in looking back on all the years of his life He has always expressed love to his family, friends and his wife. And with that there is nothing more to add Because all the love he's shared makes me very glad. So one of the greatest men that I have ever known Is the brother I am proud to call my own. adapted from an unknown author sincerely, your baby sister, Lori##imported-begin##Lori Sheehan##imported-end##
