“ My name is Sandy Bottomley Key, Donnie's sister. Thank you for your support and sharing of special thoughts of Donnie. Donnie was a unique and special person. Our family misses him very much, but we are taking comfort in knowing he is in a better place. I am sure he has everyone in heaven laughing at his comical ways and practical jokes. I see him now with two good arms, playing baseball with some of the all time greats. Donnie has finally made it to the "Big League".##imported-begin##Sandy Key##imported-end##

“ I am so saddened to hear of Donnie's death. I have been moved away from Murrell's Inlet for about 5 years now so I didn't have a chance to see him recently but still remember Donnie's smile's and some very fun times. I had opportunities to go to his and Jennifer's home on many occasions and he was a truly an honorable man. I know he cared for Jennifer very much. My sincere condolences to Jennifer and the entire Bottomley family. He is in a wonderful place. My thoughts and prayers are with you all.##imported-begin##Ralph Musselman##imported-end##

“ I wish I could have made it for the funeral but could not get off work. I talked to Donnie just last summer and we were going to get together this summer coming as we had not seen each other in many years. Donnie and Jackie were two of my best friends growing up in Surfside. I will surely miss Donnie and wish I could be there personally to pay my condolences.##imported-begin##Howard Hanchey##imported-end##

“ Anyone who knew Donnie can tell you what a great personality he had. He was always able to make people laugh at his sense of humor. I will always remember him as the guy that warned me by saying "if you eat too much ... your gonna get fat!" I think I speak for everyone when I say ...
