“ So sorry to hear the sad news of Dons passing , sending my condolences to Terri and her family. When we we kids we had fun at family picnics and all the family would gather together to celebrate Christmas at our grams and grandpa' Dahlgren's.. A few years ago I went to visit Don and Terri. We laughed and caught up on what was going on in our lives now. Donnie you will be missed.

“ I am saddened to hear about Donnie. Growing up he was the coolest cousin with his long hair, leather jacket and, motorcycle. I have fond memories of Don. Life and distance kept us apart. When I did see him it was like a day hadn't passed. My sincere condolences Teri and family. Love,
