“ Arnold grainger was my favorite out of all of my dad’s friends, he is my godfather, Arnold and I worked together for a couple years and even got to hunt together in his last few years, he’s the only person who called me “Josey wade” without being in trouble, and I loved it, I always pursued Arnold’s life, work, fish,hunt, I can still smell the doves that John and I used to help clean for dad and Arnold on Paul sanders land and till this day when I dove hunt I pick up my shot shell and smell my childhood, I’m not here today Arnold, but you’ll always be in my heart and thoughts when I’m dove hunting, I love you more than Peter love the lord. “ *This man walked into my life as a baby and never walked out. For 44 years He's been my Dad. I love him with my whole heart. It really doesn't feel real. He's been my rock. When I heard He gave his heart to the Lord, My heart smiled. Now I know He's with Momma, right where he wanted to be. 🥹❤️ I don't even know how to live life with both of my parents gone. But it does my heart good to know they are back together looking down on us. I love you Daddy. Thank You for being the Dad you didn't have to be. ❤️*

Misty, you have been on my mind. Growing up around y'all was so fun. Looking back, it's awesome that Arnold always called us boys, and he's the reason we still have black labs to this day. Also, it was so nice that Tammy shared those funny old videos of Arnold and Dad goofing off together. It really helped us through our healing process. You'll remain in my thoughts and prayers. ❤️
