“ Dear Allen Family, I cannot imagine the pain and hurt of losing such a wonderful person. I did not know her well, but what I knew I liked. I was impressed with the glow she always had. It felt like her whole body was smiling at you. I remember her most when you ran Allens Food Basket at the beach. I and coworkers from Judge Blantons office would eat there and sit and enjoy talking to her, Rusty and his wife. We never decided whether we liked the food best or the comodary. My husband Lewis knows Lloyd Blanton from CC Dickson. He shares with me the sorrow of your loss. God Bless you and strenghten you during this painful time. “ Dear Allen family, You don't know me personally, but, I knew Mrs. Donald Jean. She was the sweetest lady. I knew her from years ago shopping at Peebles. After my twins were born , she and Mrs Thelma would hold them while I tried to shop. She made me feel so comfortable by watch them or carrying them around in her arms. That has been almost 30 years ago. I developed a friendship with her and from then on I loved running into her and talking to her. She will be missed by all of you but remembershe is in a better place and that we can join her when our time comes. May God Bless and keep you.
