“ Don and Mona have been our neighbor for over ten years and we are devastated by his loss. We will miss seeing Mr. Don working in his beautiful garden in the evenings and sharing his vegetable harvest with us. Mr. Don often took our children fishing along with his grandchildren, and these fond memories will be held by my own kids the rest of their lives. We have been blessed in so many ways by having Mr. Don and Ms Mona as our neighbors; they are generous beyond measure, and they brought my family so much joy and laughter. We grieve the loss of Mr. Don, and we are ready to be there for Ms. Mona whenever she needs us.

May Donald rest in peace and rise in glory.

“ My dear Mona,

We are so saddened to hear that Donald has passed away. His laughter and remarks at the annual King Christmas Reunion will never be forgotten. Knowing your strong faith in God is assurance that He will send you the strength and peace that you need at this very difficult time. As you know, being a part of the King family, Donald's passing is very heartfelt.

Helen, now living in Florida, and we both being older, and due to the CDC and covid 19 restraints, we know that you understand why we will not be there with you and your family at this difficult time. Please know that our love and God's richest blessings will be with you and your family.

*Blessings and peace to you and your family,

“ *Mona, my dear friend, I was so sorry to hear sweet Donald has
gone to Heaven. We have been friends since our childhood days
and throughout high school and I treasure every memory we made
along the way. While I've been away from Conway for many years, it
never diminished my love for you two. I remember vividly a
wonderful trip we took to Cape Cod with the Seniors from North
Conway Baptist Church....we had such a delightful time and I still
remember laughing so much with you and Donald...y'all were so
animated with all your funny stories...a lifetime of memories were
made in that one short week! I know Donald will be missed by
everyone who loved him....I pray you and the kids will find strength,
comfort and peace in the tough days ahead. Love you much,

“ Wow, gonna miss you, Don! I had just been by the shop on Monday. Just checking in and saying “Hello”! Unfortunately, that’s when I found out you were sick and in the hospital. I was drawn there, by your spirit! I believe!

You were a Gentle soul, Dear friend, and Boss. You made me smile!
You were a comfort to many in our community over the years!

Ms. Mona and family, you are all in my thoughts and prayers. May Don’s love for his family, forever be a testament to his dedication to his life and The Lord!

You will forever be missed! I enjoyed our laughs over the years. You had the best job in the world! “Reminding others, “That they are loved!”

It was genuine and that’s, what made you so special! Until we meet again, my friend!

“ I'm so sorry this news, I met Don when he worked at the commissary at the old Myrtle Beach air force base. I was a teenager and worked there as a cashier. He was so kind, always had a smile and friendship was easy with him. May God hold him close and his family. You have to know that after all these years, that you remember such a kind soul. I bought flowers from his shop for years. May you rest in peace Don.

“ I am so sorry to hear this. Donald was such a kind and gentle soul as long as I knew him....and started when we were children. After high school we sort of lost touch but I was always happy to keep up with him through friends and his sweet wife Mona. May God hold you close as you travel through this loss.
