“ Dear Peggy & Family, We have just learned of Don's death. Our last memory is of him full of life ~ stepping up to the stage to receive award after award at the Webutuck High 40th Reunion in 1999- mostly to do with his commitment to family. Our prior visits with you here in Canada and later at your home in Clinton Corners provide us and our children with good memories. Although we did not see a lot of each other over the years Frank's high school experiences with you are still clear and warm. We are still a good ?stop-over? when you visit the upper Mid-West and we would be more than happy to see any of your large family as you pass through Sarnia, Ontario. As always, Frank & Mabel###imported-begin##Frank & Mabel Higgins###imported-end##

“ Dear Peters Family, I've sat here for the longest time trying to think of the right words, and there are none. I feel sad for all of you and am sorry for your loss. I'll always remember the many hours Meg and I would sit in the Diner drinking way more coffee than necessary chatting with "dad", his sense of humor and amazing chicken salad.
