“ *Mr. Don was such a terrific man with a great loving personality. He was my neighbor and always stopped when he saw us to say hi. One thing he always said to us was, has anyone told you they loved you today and then he would say he loved us. He was always ready to lend a helping hand if needed and we would do the same for him if needed. He will be greatly missed. I have just found out about his passing and I am deeply upset because I genuinely cared for Mr. Don. He will missed by many*
