“ Dear Quattllebaum Family,

I am a former student at Tri-County Technical College and am deeply saddened to hear about this. My name is Briana, and me and Andy met in the fall semester of 2018 in Ms. Johnson's English class. We sat beside each other everyday and cut up and told jokes to pass class time. I only known Andy for a few months, but I am glad to say that I had made a good friend in the short time we had here together at TCTC and his positive look on life really impacted mine. He was so funny, energetic, and very passionate about the things he had done. He was honestly one of the kindest people I have ever met and my heart is broken receiving this news. I will continue to keep praying for all family and friends. Just wanted to share the impact that Andy had made at TCTC. May he rest easy and may God wrap his arms around you guys during this time. I am so so sorry for your loss. Andy will forever be in my heart.

*With so much love,
Briana Murphy Former TCTC Student*

“ Don and Hayden. I am so very sorry to learn of this. Although it has been sometime since we have seen each other I have never forgot our friendship. I last saw Andy riding at the barn in Gtown where I have my horse. Rona spoke of him highly. My deepest sympathy for your family. 🙏🙏🙏

“ Dear Don and Family,
We did not know Andy but share your burden and grief. I would like to plant (or have planted) a tree in Andy's honor at White House if you deem that appropriate and desirable. If so, you and I can discuss the choice of tree. Let me know if I can help in any other ways. Rick Kaminski
