“ *To the family, I read of your loss and want to express my deepest sympathy. It is always hard when we lose a loved one because we have a built-in desire to live and enjoy life with our family and friends. That is why death is not natural for us. When we lose our loved one, for whatever reasons we may believe, it is distressing, because we miss them very much. At these times, we need encouragement and hope so that we can cope with our lost. For that reason, we can be encouraged by reflecting on the promises that God has given us thru his word the Bible, concerning the resurrection hope of seeing our loved ones again. I hope that you find comfort in reading these scriptures. John 11:11-44, John 5:21, 28, 29, Acts 24:15 and Revelation 21:3, 4. My prayers are with your family.##imported-begin##Karen Cross##imported-end##* ”

“ It is with great sadness that I sign this guest book. I have known Sonny for years and loved him like a father for years. I remember leaving him a message a few months ago, but never got to talk to him. Even though we lost touch there were not many days that went by when we didn't think about him or talk about him. Sonny you were a remarkable man and I will always remember our days at C.B's and at Spinnakers where I met you and Judy. You are with her now and I know you two love birds are happy. You loved my daughter, Cameron like she was your own and she will cherish the beautiful Lenox china doll and tea set you gave her forever. She is only five years old but she knows she won't see you again and it makes her sad. But, rest assured she will not forget!! We love you and will miss you greatly. Our thoughts and prayers go out to your wonderful family. See you again some day!!!##imported-begin##Cindy Roseberry##imported-end##
