“ *When I think of Donald Tyler, I think of a kind gentle man who had the store when we were growing up. I think of a great big smile and a gentle hello every single time I have ever seen him, both as a child and as an adult. I think of the love he had for Ms. Linda and his girls. I have always felt so blessed to know him and his family throughout my life, and what a wonderful model for us all to live our lives by.*

Ms. Linda, and family, I know your hearts are broken, but this man and your family have been a blessing to more people than you will ever know. Thank you for sharing him with us, and as you go forward, know that prayers are going up abundantly for your peace and comfort.
