“ Even though we were away and unable to be with family last week, I held a personal memorial on 26 May, the day we were at Big Sur, my place of spirituality. When you are there, you feel the presence of something bigger and greater than any of us. Donna's spirit will live on amongst all of us and will be a guiding hand to all. I will miss my fellow Gamecock cousin. Aunt Sarah, George and everyone else, we love you. May peace be with you, love, Karla, Burt, Norma, Susie, Oliver and Ingrid.##imported-begin##Karla and Burt##imported-end##

“ Mr George & Family, I knew Momma Duke from Woodland Park, I was one of the lucky and few to have the privilege of attending Woodland Park for all eight of my elementary school years. She was such a delight, not to mention the few dozen tardies she overlooked as my 8th Grade Homeroom Teacher. She, Mrs Potter, Mr LeFevre, Mrs Livesay and Coach Brown were a few of the teachers that I role modeled my education after and the reason I majored in Education. She will be missed greatly. “ Donna was such a sweet lady. I still have a recipe that she gave me years ago when I was waitressing at Wallace Lee's in high school and college. She was a fun person that loved to laugh and she loved her George too. My thoughts and prayers are with her family at this sad time. Darla Williams##imported-begin##Darla Williams##imported-end##
