“ Donna and I have been friends since grade school at Thomas Corners. I spent many hours in their beauty shop. My birthday is July 16 and hers July 17. She called me on my birthday last year and we had a wonderful talk. At that time she did tell me about her illness. I was shocked and saddened to read the paper this morning. Our prayers go out to Donna's family and friends.

“ It was with great sadness and a shock to read of Donna's passing. Although we did not keep in touch over these many years, she was a dear friend after High School and an attendant in our wedding. Sending sincere condolences to Donna's family and friends.
