“ When I learned that Donna was about to go to be with Jesus, even though we hadn't seen each other in years, I gasped and my heart  stood still. I got married and moved away, but just hearing Donna's name flooded my memory with smiles and thoughts of her kindness. I know Jesus welcomed Donna with His loving and open arms. Bob, I send huge and love-filled hugs to you and your family as you walk through these days of transition. May you know the imprints y'all both made on me and my walk with the Lord were great! He used you both well! Holding you close, especially now, but more importantly, always...”Lisa D” Ingram
