“ I think of Donna almost daily because she taught me so much about bookkeeping in the 29 years we worked so closely together. She trained me well for the position I now hold and I called and thanked her several months ago. I often referred to her as "my other spouse" because we spent so much time together. We joked that we were going retire at the same time. She was dearly missed from Bellamy Law Firm when she retired. She was a great friend and mentor. I will forever be indebted to her for all she taught me. I told her many times that I loved her and I hope she knew that was still the case. Prayers are being said for the family

“ I worked with Donna for 7 years at the Bellamy law firm. We had such fun back then. We shared confidences and I will always remember her smile. I am so sorry for your loss. She was a good person, always ready to listen to your problems. I will miss her.
