“ I knew Donna from church and we use to giggle and say we were twins because we were both named Donna. She was a godly woman and a prayer warrior I knew I could count on. She was such a great example to so many others about how we should all reach out to others and show them love and support. I will miss my sweet twin, but I rejoice that she is finally in heaven where she will know no more pain and suffering. My deepest condolences to Karen, and the rest of the family.

Sincerely,
Donna Smith

“ So sorry to hear of Mrs. Donna's passing. She was such a sweet, precious Lady. I knew her from Forestbrook Baptist when I lived down there. My prayers will be with her family.

“ Aunt Donna was a second momma to my family and I. She was there for me during the illness of my mother, stayed and helped me take care of her for a week. My fondness memory of her was going on a mission trip to Montana in the Summer of 1989. She, my momma and I held backyard Bible clubs for children for a week at Camp on the Boulder in Montana. It was the most wonderful trip! I thoroughly enjoyed spending a lot of time with her.

She was a faithful servant and an inspiration to all whom she was with. I remember visiting a few Summers ago and she taught us how to play chicken foot with dominoes! We played for hours and my youngest son Ryan especially loved every minute of it! All he could talk about was his great Aunt Donna and playing that game for a very long time. She and I shared a daily Bible verse through texts for the last few years and we would text in depth about what each verse meant. She was a Godly example to all and I saw Jesus in her every time I was around her! Aunt Donna will truly be missed...I miss her already. To Becky, Debbie and Karen, I know we all live so far away from each other, but I am always here for you all. We love you!

Love,
Ron and Cheryl Keel
